## **INVITATION**

We invite all those who are interested in good Shorthorn cattle to attend our annual Center of Attraction Show and Sale. In selecting the cattle for this offering we have chosen only such bulls and heifers as we would buy if we were purchasing and not selling.

Over a period of 15 years this association has functioned and the cattle of its members have improved. The 48 lots listed in this catalog, in type, character and breeding, are equal or superior to any other state or district sale offering of the year. Come to the sale and you will be convinced of the truth of this statement.

**JACK RAINS, Sale Manager.**

ELCONA ROYAL ELVIN 2D. The sons and daughters of Elcona Elvin, of which about 50 have been born at Alcona, have averaged exceptionally high in quality. Every ancestor in the first three generations of his pedigree except one was Marshall bred. The exception was Ascreavie Duthie, a famous bull in his own right. Fifty-nine Shorthorns, sired by five immediate ancestors of Elcona Elvin, averaged nearly \$1800 in the Marshall dispersion. Elcona Clipper 6th was a member of the Elcona show herd. Her sire was one of the best representatives of the Royal Leader-Mercury cross.

COMET'S RED SECRET 3D—Was the Grand Champion Female of the Decatur Co. Fair. She is definitely herd matron material. This heifer has been bred to our new imported herd bull, Leveldale Audacious, a double bred Beaufort Bolido bull. Leveldale Audacious was one of the top bulls to sell in the 1953 Mathers sale. His sire was sold at a high figure to the Argentines. Look at the heifer sale day and see for yourself.

ROSE DALE was champion 4-H heifer at the recent Wayne County Fair. We are reluctant to part with this heifer but as we are selling our farm and moving to a smaller one, it will be impossible to keep all of our cattle.
